Dobro došli u bajkoviti svet štampe Čugura printa!

Porodica Čugurović osnovala je Čugura print davne 1992. godine. U početku mala skromna štamparija danas je jedna od najsavremenijih štamparija. Oprema, najnovije tehnologije, softveri koji povezuju kompletan proces proizvodnje, visoko obučeni kadrovi i kreativni dizajneri čine Čugura print mestom gde ideje postaju proizvodi vrhunskog kvaliteta. Praćenje svetskih trendova u svetu grafičke industrije, ofset štampa sa lakiranjem, kombinacija tehnika štampe ofseta, sito, folijatiska i digitalne, obezbeđuje da za svoje klijente proizvode kvalitetne i savršeno dizajnirane proizvode. U svojoj kući štampe, na Bežanijskoj kosi, svojim klijentima mogu da proizvedu svaku njihovu zamisao u najkraćem roku.

Welcome to the enchanting world of printing at Cugura print!

Cugura print was founded by family Cugurovic back in 1992. What was a small modest printing house in the beginning today is one of the most modern printing companies.

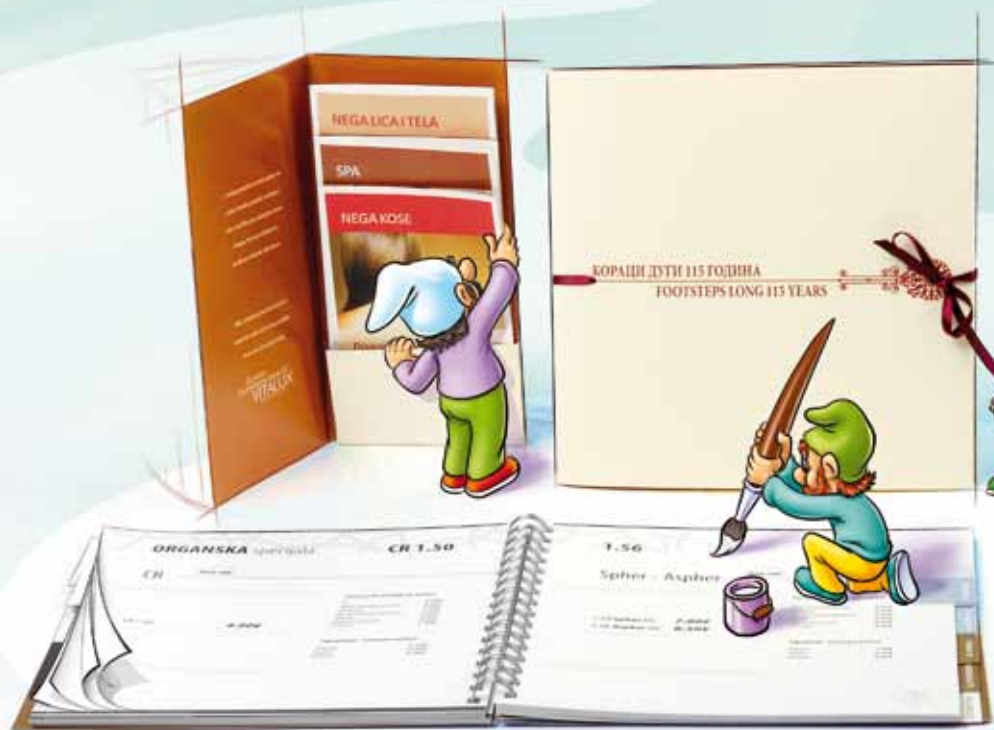

The equipment, latest technologies, software which connects the whole printing process, highly qualified people and creative designers make Cugura print a place where ideas turn into products of superior quality. Keeping up with global trends in the graphic industry - offset printing with glue, combinations of offset, screen, hotstamping and digital printing techniques, enables Cugura print to create products of high quality and perfect design. In their house of printing, at Bezanijska kosa, they can make each of their clients' wishes come true in the shortest period of time.

Vizit karte, u svim tehnologijama, ofset, sito i termalne, prvi su proizvod odštampan u Čugura printu. Štampaju se svakodnevno.

Business cards, produced by using all printing technologies, offset, screen and thermal, were the first product printed in Čugura print. Nowadays they are printed daily.
